

Ultimate Signature Experience

Luxury Catamaran Journey

It's not a house at the sea but rather the sea as a home, a home that goes beyond familiar borders, navigating towards hidden beauty. A unique catamaran that was born to be a grand, exclusive and comfortable mode of traveling, day after day, immersed between the waves and the horizon. To discover the seas of the world and the soul within ourselves...

DESCRIPTION

The open saloon with a panoramic view and interior navigation station equals over 35 sqm. Additionally, there is a galley up arrangement in which preparations of the most delicious specialties for guests will be expertly executed by the chef. Food and other goods can be placed in the storage room, at the lower starboard hull equipped with heavier electronic appliances such as a prosciutto slicer, freezers and refrigerators.

The lounging area in the saloon comprises a comfortable U-shape sofa set made from natural – grey fabrics, foldable table and sliding TV straight from the kitchen countertop.

The catamaran can accommodate up to 10 guests in four separate spaces in the hulls including 2 deluxe cabins and 2 VIP cabins. Each of them designed to the smallest detail to bring comfort and pleasure. In the VIP cabins are decorative elements of painted trees and silk in grey, pale brown, raspberry pink and navy blue colors. A superior level of luxuriousness is also achieved thanks to shimmering silver embroidery on pillows and headboards.

The cabins are equipped with comfortable king-size beds, wardrobes and retractable TV's. Thanks to spacious windows guests can wake up in the morning sun and go to sleep in the star light. The two deluxe guest cabins comprise two single (convertible) beds and a bunk bed to the wall that is ideal for children.

Their designs incorporate aquamarine, raspberry and noble shades of grays and silver colors.

Each room has its own ensuite spacious bathroom in gray Lava Rock. Both the cockpit and flybridge mattresses white, blue and navy color and cushions.

The crew quarter is located in the portside hull and has a separate entrance from the cockpit that allows for more privacy when the guests rest inside the yacht.

With her spacious layout, this 74ft catamaran was designed to fit the needs of people who appreciate the highest standards combined with the greatest hospitality. The sailing catamaran can be seen as the ideal getaway from busy life. It is also the ultimate option for family and friends cruises where wellbeing, comfort and huge amounts of pleasure are essential.
