

The Greatest Italian Supercars

- A unique experience in the amazing Motor Valley -

The Enzo Ferrari Museum

"If you can dream it, you can do it".

Enzo Ferrari, car constructor and founder of Ferrari (1898-1988)

La Terra dei Motori, the Motor Valley, is an extraordinary area between Bologna and Modena, A land of extra fine culinary delights, ancient castles and sweet rolling hills panoramas.

This itinerary will lead guests discover the most famous Italian sport cars and the sites where legendary brands like Ferrari, Maserati and Lamborghini were born.

Due to exclusivity of some experiences, booking must be made at least 60 days in advance

PROGRAM

Day 1

Private transfer from the airport to a 5* hotel, located in the very heart of Bologna.

Depending on arrival time, lunch or welcome *aperitivo* at the hotel.

Time at leisure.

In the late afternoon, enjoy a drink on a rooftop terrace of a 12th century tower, with a fantastic view of the city.

Dinner at leisure.

Day 2

After breakfast, private transfer to the Lamborghini factory, to visit the birthplace of one the most prestigious sport cars.

A private visit will allow guests to discover the assembly line of the Gallardo LP 560-4 and follow, step by step, the creation of super sport cars.

Depending on the dates, guests can have the chance to assist to the production processes of an Aventador LP 700-4 and its amazing V12 engine.

The Lamborghini Factory

Day 3

After breakfast, meeting with a private guide for a Vespa tour.

Guests will cross the city, reaching a noble palace, considered one of the most important and original architectural works of the entire European Baroque. The palace was the center of the cultural and social life of the city, visited by kings, musicians, writers, scientists and adventurers.

Guests will enjoy a private visit through splendid frescoes, original furniture and paintings.

Private Lunch in the palace.

At the end of the Vespa tour, time at leisure.

Dinner at leisure.

A Vespa in Bologna

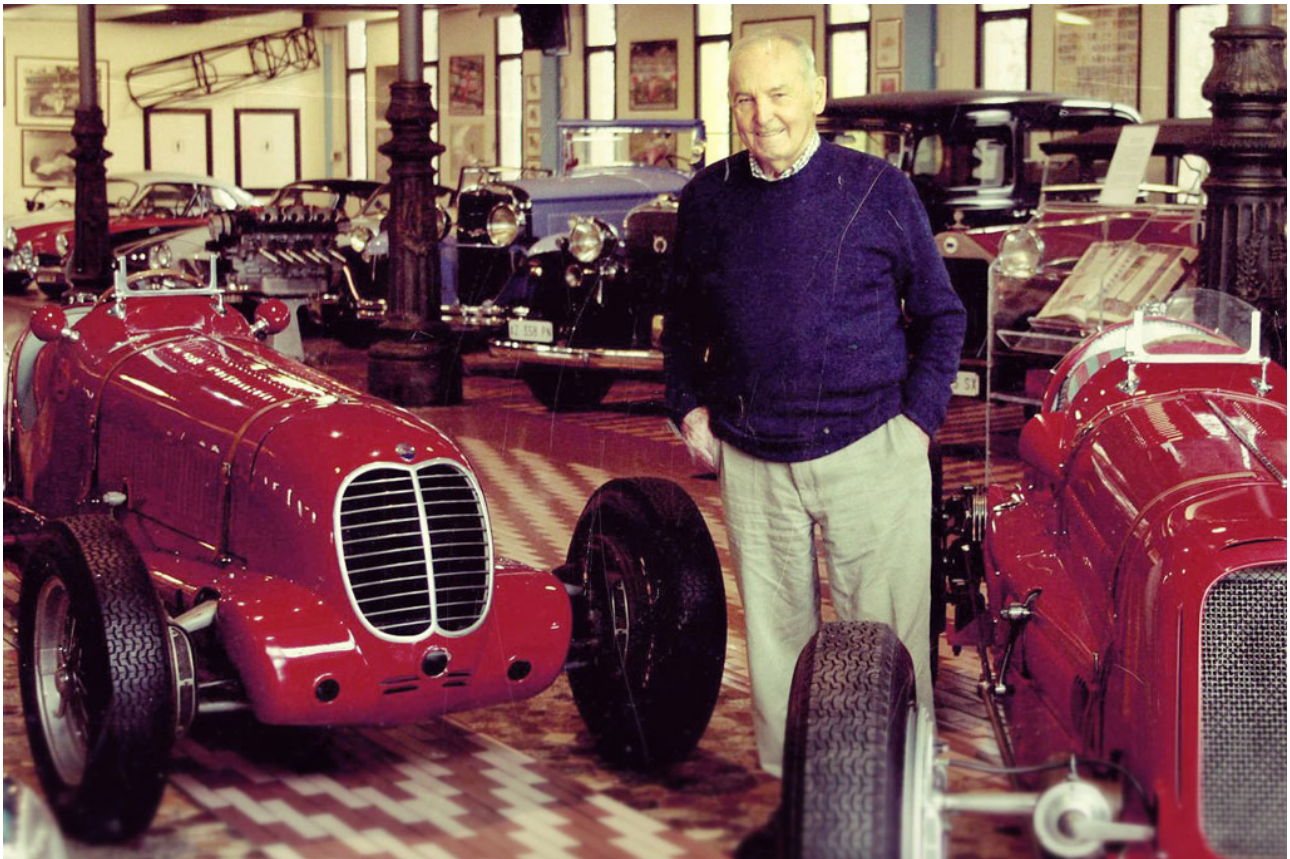

Day 4

After breakfast, private transfer to the Maserati Museum in Modena.

The Museum was founded in 1965 by the company owner that decided to expose the car collection in an exclusive location.

The museum is located inside a top-level farm that produces the great Parmigiano Reggiano cheese. Guests can admire Maserati cars, ranging from 1934 to 2002, including the most famous racing cars of all time: the Maserati 250F.

The visit to the museum is followed by a tour of the farm, with a Parmigiano Reggiano tasting.

Private transfer to the Modena circuit, for a test drive on a X-Bow, the extreme roadster.
After the X-Bow experience, light lunch in the circuit paddock.

Private transfer to Modena, also known as the World's 'Supercar Capital'.
Meeting with a guide that will lead guests to discover this enchanting city, starting from the beautiful Piazza Grande, the main square, dominated by the marvelous cathedral, a masterpiece of the Romanesque style and a UNESCO World Heritage Site.
Dinner in a charming restaurant.
Private transfer back to the hotel.

Day 5

In the morning, meeting with a guide and visit an ancient oratory of Bologna, a unique example of the local Baroque style, with walls and vaults completely decorated by paintings and frescoes.

Visit the magnificent halls of Palazzo Pepoli Campogrande, built by a noble family of the 17th century.

Lunch in a charming restaurant.

In the afternoon, guests will experience a spectacular tour, with the chance to drive a Ferrari on the winding roads crossing sweet hills and charming villages of the countryside.

Guests will reach Vignola, a fortified town famous for the production of cherries, dominating the valley of the River Panaro.

Dinner in a suggestive restaurant in a 13th century walls location.

Private transfer back to the hotel.

Day 6

An entire day exclusively dedicated to the Ferrari, the most famous luxury sport car.

In the morning, private transfer to Modena, to visit the Enzo Ferrari House Museum, the Enzo Ferrari's birthplace and a futuristic automotive design gallery.

After the visit of the Enzo Ferrari Museum, private transfer to Maranello, the *Home of Ferrari*.

An exclusive guided bus tour will lead you inside the Fiorano test-track and the Ferrari Cittadella, the factory where every year no more than 7,000 cars are produced.

Lunch in a charming restaurant.

After lunch, visit to the Ferrari Museum, an extraordinary experience to discover the history of the Ferrari through cars, photos, movies and interactive tools.

Guests will have the chance to try a real F1 simulator, reproducing every detail of the Monza F1 track; an exciting and exclusive experience.

Enjoy an exclusive dinner in the Victories Hall, surrounded by all the trophies and the Ferrari cars that won a World Championship in the Ferrari history.

Private transfer back to the hotel.

Day 7

In the morning, meeting with a guide and visit to the oratory of San Colombano, a hidden and unknown jewel, composed of a series of religious buildings that were set together during the centuries.

Visit a recently rediscovered ancient crypt and an interesting collection of ancient musical instruments, consisting of 90 unique pieces, including harpsichords, spinets, clavichords pianos and other instruments.

Lunch in a charming restaurant.

After lunch, climb on the Torre degli Asinelli, a 100 metres-high tower, symbol of Bologna.

Continue the tour with a walking tour in the old city, visiting Palazzo Fava, a masterpiece of the Renaissance time, beautifully painted by the Carracci, a family of artists of the 16th century.

Enjoy a private dinner on the terrace of the museum, where guests can enjoy a panoramic view on the old city and its towers.

Private transfers back to the hotel.

Day 8

In the morning, private transfer to the Pagani factory, close to Modena, where guests will visit the showroom and the production areas, where the mythical Pagani Zonda are made.

Private transfer to the picturesque town of Castelvetro, famous for its towers and steeples.

Lunch in a charming restaurant.

In the afternoon, private transfer to the Ducati Museum and factory.

Guests will visit the pavilions, discovering all the production processes.

The museum hosts more than 40 legendary motorcycles, with a special visitors area.

Dinner in the museum.

Private transfer back to the hotel.

Day 9

After breakfast, meeting with a guide and visit of an atelier in Bologna, for a hand painting on silk experience, visiting a workshop where industrial furniture is used to create tables, lamps and chairs.

Lunch in a charming restaurant.

Afternoon at leisure, to visit craft shops of the old town and taking time for luxury shopping in the Galleria Cavour, hosting the main Italian and international brands like Bulgari, La Perla and Prada.
